### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Charles Fallow on July 27, 2007.

The application has been amended as follows:

In Claim 8: replaced "Bicycle lock according to claim 7," with -- Bicycle lock according to claim 1,--.

In Claim 9: replaced "Bicycle lock according to claim 7," with -- Bicycle lock according to claim 1,--.

In Claim 11: replaced "Bicycle lock according to claim 7," with -- Bicycle lock according to claim 1,--.

### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: The claims are allowable over the prior art of record because the teachings of the references taken as a whole do not teach or render obvious the combination set forth, including that of a bicycle lock for blocking rotation of a crankshaft, where the bicycle lock is provided in a seat tube, the bicycle

Art Unit: 3676

lock has a locking pin and a locking mechanism, where the lock housing is coupled to the saddle tube by a rotating coupling, and the locking pin in a locked position having a nonrotatable engagement with a notch in the crankshaft and thus blocking rotation of the lock housing and preventing its removal from the seat tube.

The closest prior art of record, U.S. Patent Number 686,940 to Huscher, discloses a bicycle lock assembly adapted for insertion into a seat tube and blocking rotation of a crankshaft. However, the geometry of the locking pin and corresponding notch in the crankshaft allows for rotation between the lock housing and the seat tube.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Christopher Boswell whose telephone number is (571) 272-7054. The examiner can normally be reached on 9:00 - 4:00 M-F.
